

a world of **difference**

making a **difference** in the world.

Our current line of **flame resistant** products offer economical solutions to meet your needs. These products use Polyester Fibers' patented **Pyro~Shield™** technology. Comfort and flame resistance all in a price competitive package! Upgrade and switch to our **Pyro~Shield™** wrap mattress cores.

Polyester Fibers are the makers of fine densified polyester mattress cores for the bedding Industry. All of our cores pass TB# 117, 121, 129, 133 and CFR 1633. These cores are manufactured in several of our manufacturing facilities.
